• Q&A
Where are we to date?
OCR Updates: FY Q1 Metrics

As of December 1, 2023, there were 2,469 total active clinical research studies conducted by Emory faculty with 71,025 participants on-study. There were 489 studies with no enrollment.

As of December 1, 2022, there were 2,396 total active clinical research studies conducted by Emory faculty with 56,675 participants on-study. There were 444 studies with no enrollment.

Each area within a year is a little over 1%.
OCR Updates: PreAward

Volume remains high. Solicited the assistance of outsourcing help.

- Coverage Analysis
- Calendar Build in OnCore
- Budget Development & Negotiation
- CDAs

Turnaround Goal: <30 days
OCR Initiatives

Education - PI Consultations/Outreach
In collaboration with Dr. Nobles and Dr. Carswell, a new faculty survey goes out to those with incoming studies.

For clinical research,
- required training is GCP & ICH in the CITI Program
- Health Privacy & Information Security in the CITI Program
- Work with OCR’s Clinical Trials.gov to register new studies.
OCR Initiatives

Education - Clinical Research Orientation

1-Week Clinical Research Onboarding Process

- Orientation (Monday)
- In-House (Tuesday)
- Remote (1) (Wednesday)
- Remote (2) (Thursday)
- Self-Pace (Friday)
- Exam (Due before next Monday)
- In-Field (6-8 weeks after training)
- Refresher (Every 3 years)
OCR Initiatives

Invoicing - Escalation model

• Works closely with ORA, RAS, and study teams to ensure items/services are tracked according to the CTA and Sponsor’s EDC.
• Provides Invoices, Remittances, and SOTs in OnCore > Financial Console.
FY 2024 Goals

Building to meet the needs of the research community.
OCR FY 2024 Goals

1. Ticketing System for incoming issues – average ~300 emails/week.
3. Develop OnCore-Epic Bridge Course – implemented Feb 2024.
4. Work with the department on the feasibility of no enrollments.
5. Develop a concept for OCR Initial Invoicing Consultations (OCR IINC), including consultation/review with study teams upon the first patient's first visit regarding PRA, study budget, payment terms, OnCore budget, and tracking details.
