- Adrienne Brutscher, COI Specialist

Mission: Ensure Research Objectivity

Design, conduct, and reporting of research must be objective

Multifaceted relationships between Emory Investigators and industry exist and often complement research

Must follow federal rules as stewards of federal money

Primary commitment of time and intellectual energy owed to Emory by employees

How We Accomplish That Mission

- Review Projects for Conflicts
- Communicate with Faculty and Staff
- Review Disclosures via eDisclose
- Educate the Emory Community
- Work with other units (IRB, IACUC, Export, etc.)

What is a Financial Conflict of Interest?

Determination that an individual's financial interest could significantly alter the design, conduct, or reporting of research
