How to Register for the Online RCR Course in Brainer

1. Login into [Emory's HR Self-Service system](#)

2. After signing in, click on the “Learning Management” tile.

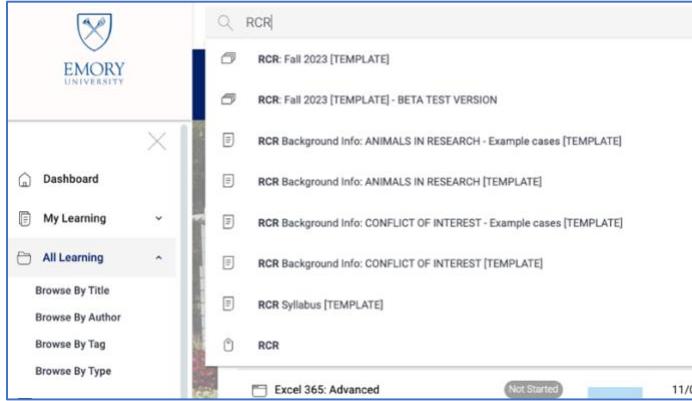

3. Select the Brainer Platform

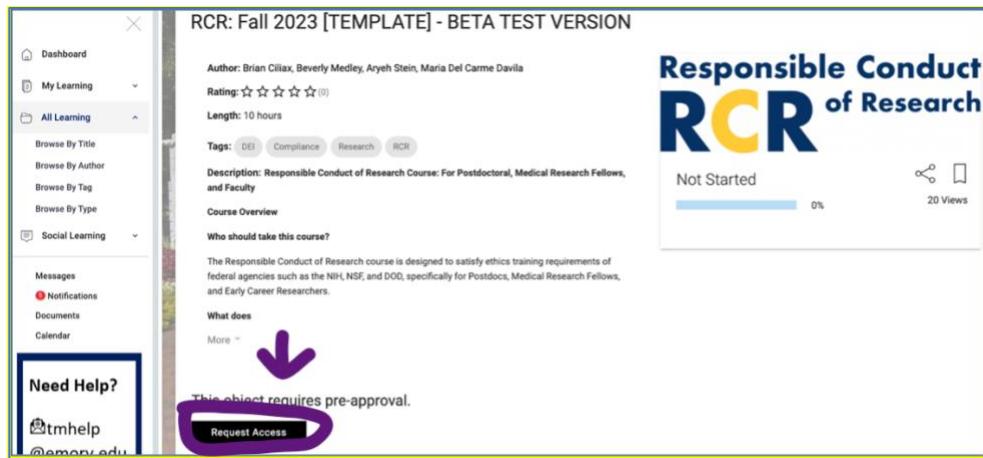

4. Go to “All Learning” on the landing page, select “Browse by Title,” or use the search function. Search the training using “RCR” until you find the in-person training. Click on it to go to the registration page.

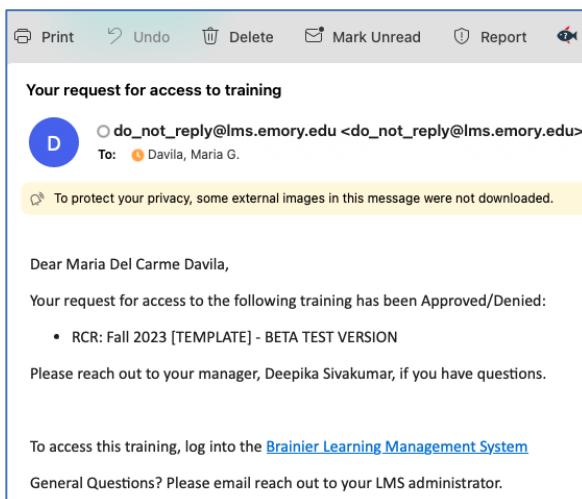

A screenshot of the 'My Learning' page in the Brainer platform. The page has a dark blue header with the text 'Welcome Maria Del Carme!' and a sub-header 'My Learning'. On the left is a sidebar with options like 'Dashboard', 'My Learning', 'All Learning' (which is selected and highlighted in purple), 'Browse By Title', 'Browse By Author', 'Browse By Tag', 'Browse By Type', 'Social Learning', 'Messages', 'Notifications', 'Documents', and 'Calendar'. The main content area shows a table with four rows of training items. Each row includes a thumbnail, the title, status, progress bar, and due date. The titles are: 'Business Power Skills: Effective Presentations', 'Excel 365: Advanced', 'Excel 365: Beginner', and 'Excel 365: Intermediate'. All items are listed as 'Not Started'.

5. Click on “Request Access” to request registration for the course. **Please remember you are committing to attending all the training dates by signing up. You will not receive credit if you miss one of the sessions.**

6. Once you receive access, you will receive an email when your access is granted. Check your junk email!

7. You can now return to the system and access the information to complete the first day.
